ACADEMIC REGALIA

The formal academic dress worn today originated more than 600 years ago. The apparel has changed little in appearance but has taken on a significant role in identifying the degree and alma mater of its wearer.

Gowns for those with bachelor's degrees have pointed sleeves; those with master's degrees wear oblong sleeves and holders of doctoral degrees wear bell-shaped sleeves. Doctoral gowns have velvet facing on the front and three velvet stripes on each side. Hoods indicate the colors of the institution from which the degree was received and the color of the hood's border represents the academic discipline in which the degree was earned. Some of the more common ones are listed below:

Arts & Letters, Humanities.....	White
Business/Accounting.....	Olive Brown
Economics.....	Copper
Education.....	Light Blue
Engineering.....	Orange
Fine Arts & Architecture.....	Brown
Health Administration.....	Salmon
Communications/Journalism.....	Crimson
Law.....	Purple
Medicine.....	Green
Music.....	Pink
Nursing.....	Apricot
Occupational Therapy.....	Slate Blue
Physician Assistant.....	Kelly Green
Physical Education.....	Sage Green
Public Health.....	Salmon Pink
Science.....	Golden Yellow
Theology.....	Scarlet

The standard academic cap is appropriately known as a mortarboard. Faculty members holding master's or doctoral degrees may opt for a velvet tam.

COMMENCEMENT SPEAKER

DR. SUSANNA BAXTER

President, LaGrange College

Dr. Susanna Baxter stepped into her role as the 26th president of LaGrange College in July 2020.

She is a summa cum laude graduate of Pfeiffer College with a degree in Christian education and religion. She holds a master's in education in general administrative leadership and a doctorate in higher education leadership and policy from Vanderbilt University.

Since arriving in LaGrange, Dr. Baxter has led the creation of both strategic and master plans for the college, and spearheaded technology and learning-environment improvements to five academic buildings. The college has added two new women's sports—flag football and golf—and begun international enrollment partnerships in India, South Korea and beyond. She also has guided the addition of several academic offerings, including an undergraduate program in aviation, two master's degrees—in computer science and higher education—and the college's first doctoral degree, an Ed.D. in Curriculum and Instruction.

Committed to service, Dr. Baxter is a member of the United Way of West Georgia Board; the University Senate of the United Methodist Church; the North American Association of Methodist Schools, Colleges and Universities Board; and the Troup Strategy Center Board.

A lifelong United Methodist, Dr. Baxter is a frequent teacher of adult Sunday School classes. She is married to Mark Huffman, and they have two sons.
